Portfolio: uniquenny-marketing-portfolio.vercel.app

PROFILE

Social media manager and content writer with experience across technology, AI education and consumer brands. Writes for LinkedIn, X, Instagram and Facebook, plans publishing calendars, manages WhatsApp communities and reports on account performance. Brings a Computer Science background to researching technical subjects and explaining what they mean for the reader.

CORE SKILLS

Content planning and calendars | Social copywriting | Audience research | Social publishing | Community engagement | Platform analytics and reporting | Content review and coordination

EXPERIENCE

Social Media Manager - X & LinkedIn | Codevant

Remote | July 2026 - Present

- Write and manage Shopify and technology content for X and LinkedIn, adapting the wording and format for each audience.
- Research product updates and explain their practical effects for merchants, developers and other readers.
- The X account recorded 80,800 impressions from 17-30 August 2026, up 257% against the comparison period in the analytics report.
- Review account performance to guide topic selection, formats and publishing decisions.

Content Strategist, Community & Social Media Manager | Attention Factory

Remote | June 2026 - 31 August 2026

- Planned content across AI education, consulting and products, including a three-week calendar with three posts per day.
- Coordinated content review and publishing, and prepared promotional posts and reminders for webinars and bootcamps.
- Managed WhatsApp community activity and followed up with members ahead of sessions.
- LinkedIn recorded 16,600 impressions, 270 reactions and 49 comments from 20 July-25 August 2026.
- Built a daily community tracker. Recorded dates from 6-22 July showed 124 joins, 25 exits, 76 reactions and nine questions, making membership changes and participation easier to review.

ENIOLAMI SAHEED

Social media, content and community experience

EXPERIENCE CONTINUED

Content Strategy Lead & Social Media Manager | TechCrier

Remote | December 2025 - March 2026

- Took responsibility for content planning and writing across AI, fintech, startups, innovation and telecoms.
- Researched, wrote and published blog posts on Blogger, covering technology news and developments for TechCrier readers.
- Created social posts and carousels for LinkedIn, Instagram, X and Facebook. Portfolio samples cover M-Pesa tax payments, Moniepoint and Orda, and AI infrastructure.
- Used audience and article performance data to review topics, headlines and channel priorities.

Social Media Strategist | 720Degree Hub

Lagos, Nigeria | September 2024 - January 2025

- Built Facebook content calendars and campaign plans around the organisation's objectives.
- Adapted relevant trends into posts and worked with the team to keep brand messaging consistent.
- Tracked reach and engagement and recommended changes to the content.

Creative Content Writer & Social Media Strategist | Grouby

Lagos, Nigeria | December 2023 - October 2024

- Wrote Instagram and LinkedIn content for grocery and food-delivery customers.
- Created seasonal promotions and everyday shopping copy around convenience, affordability and clear purchase actions.
- Organised content production and adapted ideas for different post formats.

TOOLS

Publishing and reporting: Metricool, Blogger, LinkedIn Analytics, X Analytics, Google Sheets, Microsoft Excel.

Content creation: Canva; ChatGPT and Claude for research and drafting support; Runway and ElevenLabs for AI-assisted video and voiceovers.
